Many thank you's to Smiley Oltman for his many, many hours and days of work on our altar. The altar looks so nice. On the bulletin board in the back of church are some pictures of the altar at different times during the transformation. Our dedicated trustees lent a hand as well in the project. Smiley has left specific instructions on how to care for the new altar top for the next 6 months. Each member of the altar guild has been given a copy of the instructions as well as the trustees.

The LWML has new a new selection of greeting cards available now in the card stand. The cards are a dollar each, a very good price. It seems like the average greeting card at some stores around town are over three dollars. Take a moment and check out the new selection, it will be worth your while.

The members of our LWML circle have ordered, and purchased two new altar clothes. The cloths cover the new configuration of the altar. The cloths have beautiful lace on the sides. The new wood top that Smiley made for the altar is beautiful, and now we have beautiful cloths also. We are so very blessed with members who use their time, talents and treasures for the glory of our Lord and Savior.

And we thought, 'If this should be said to us or to our descendants in time to come, we should say, "Behold, the copy of the altar of the LORD, which our fathers made, not for burnt offerings, nor for sacrifice, but to be a witness between us and you.'"

Joshua 22:28
